

The missing dinosaur egg

A five-station picture treasure hunt for indoors or outdoors.

This book belongs to:

9 pages · 4-7 years

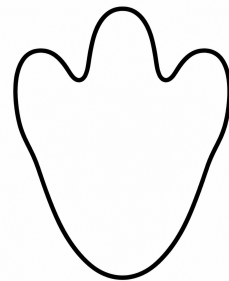

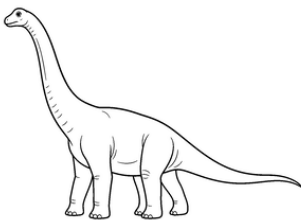

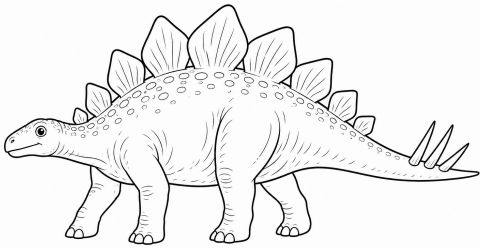

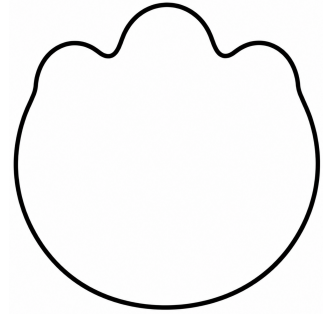

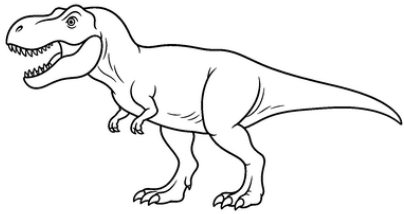

peekasaurus.com

More dinosaur fun - in the app, too.

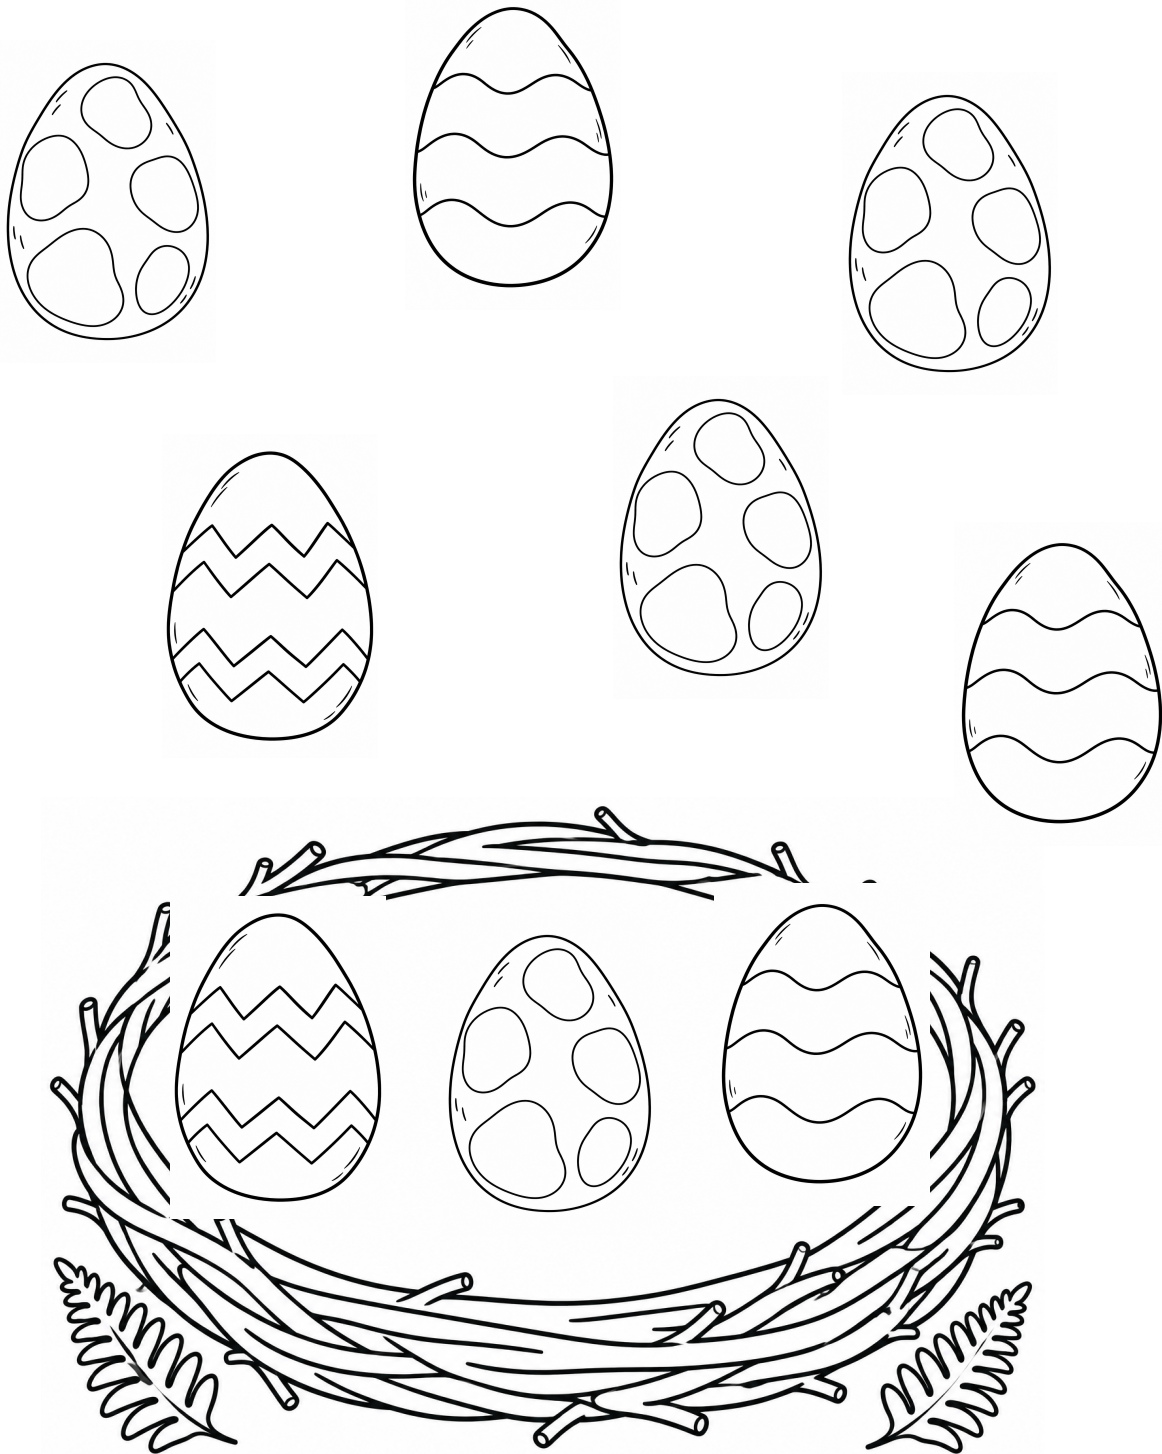

1. The lost trail

Match each dinosaur to its track. Then stomp like a dinosaur!

2. The spotty egg

Which eggs have spots? How many can you find? Color them in your favorite color!

3. The bone discovery

Digging time! Find these three treasures in the picture and circle them.

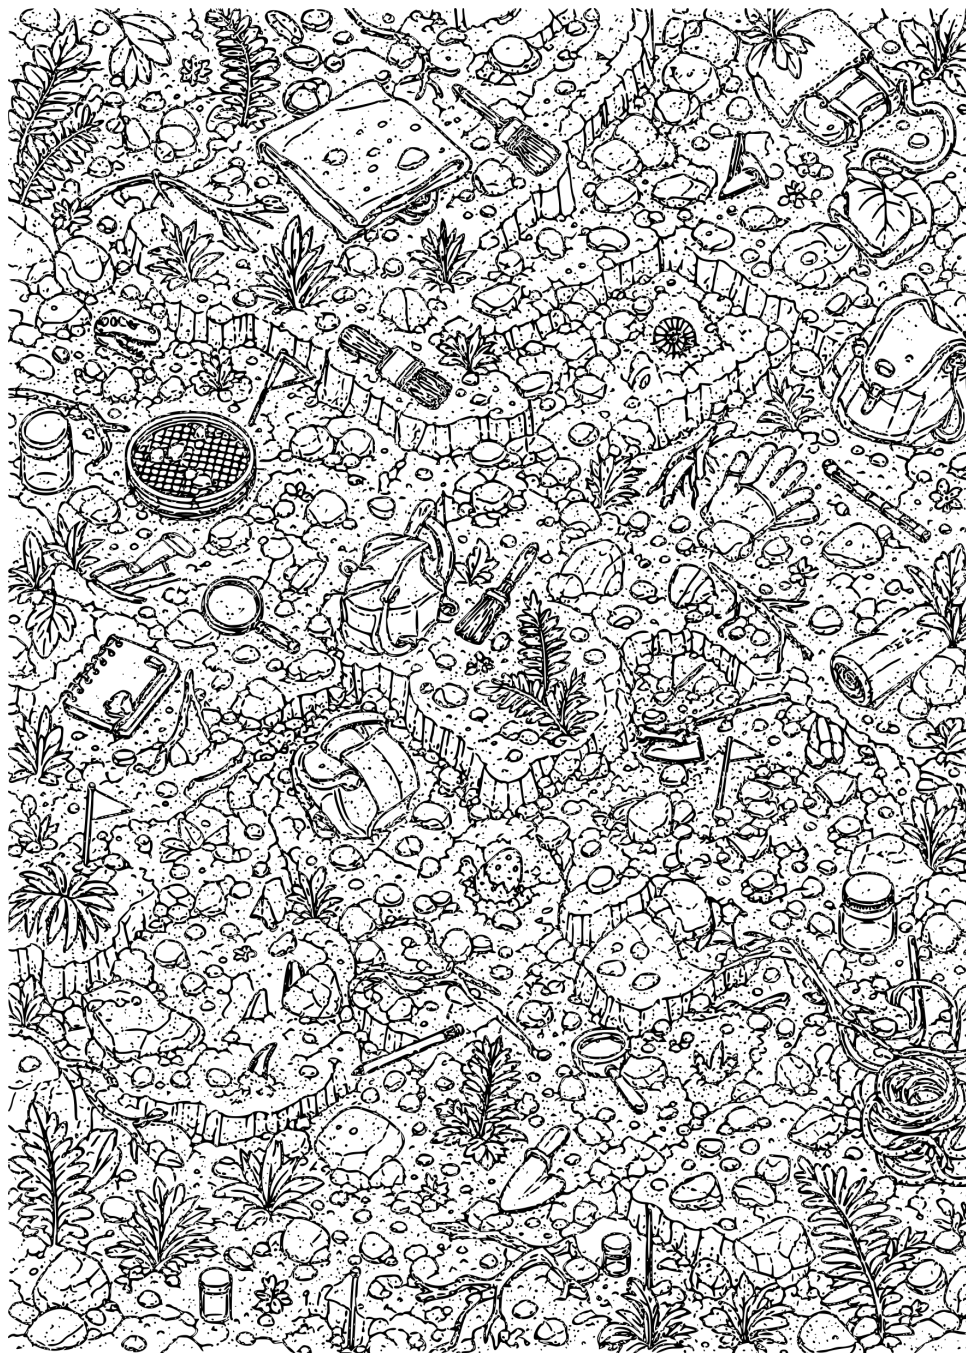

Bone

Tooth

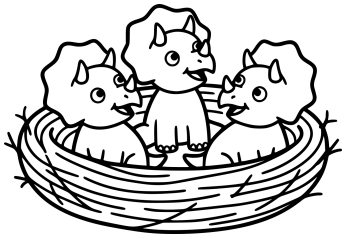

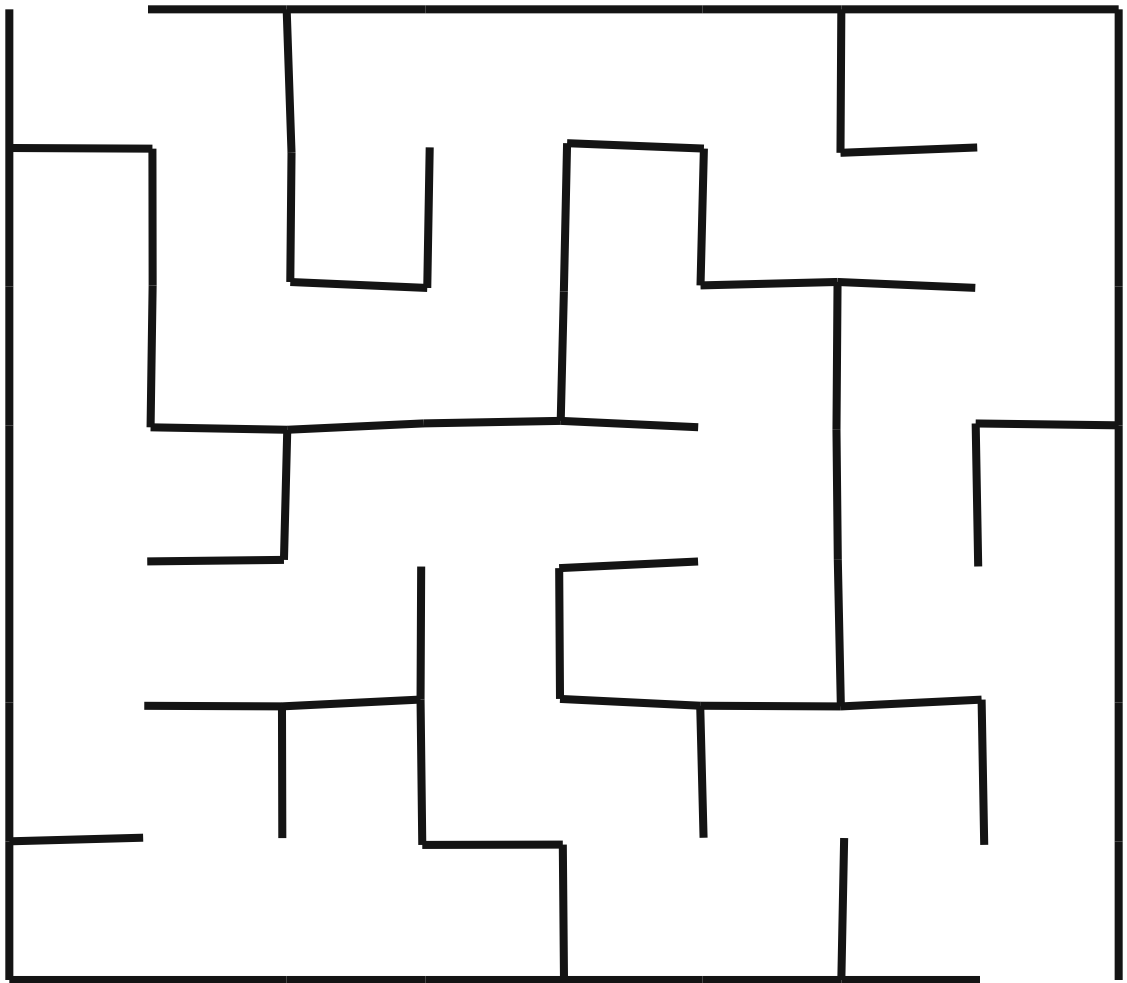

Ammonite

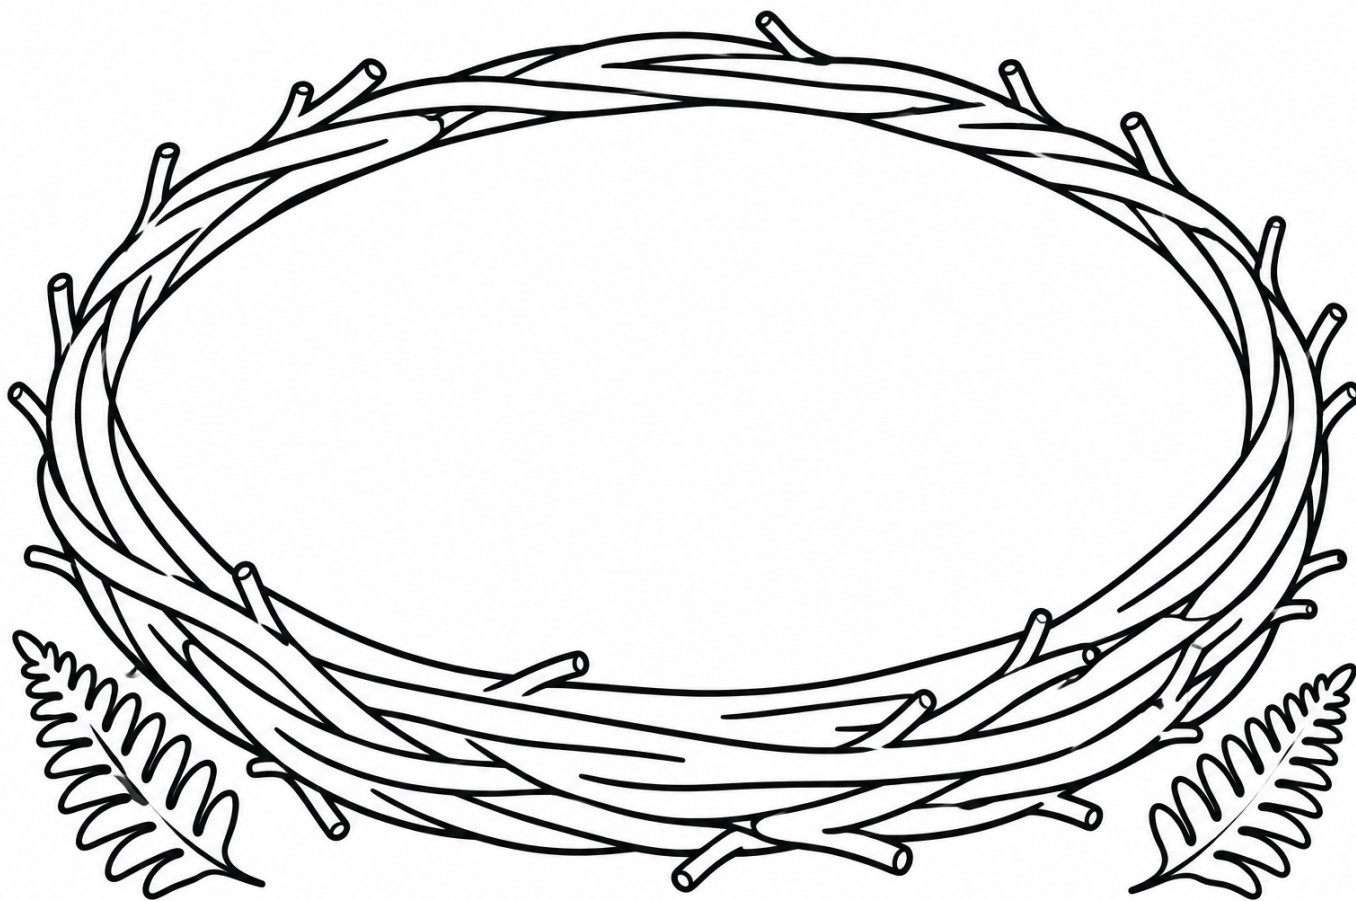

4. The path to the nest

The babies are hungry! Show Dino Mom the way back to her nest.

5. The egg is back!

Put your five collected eggs in the nest. Shhh ... a dinosaur is ready to hatch!

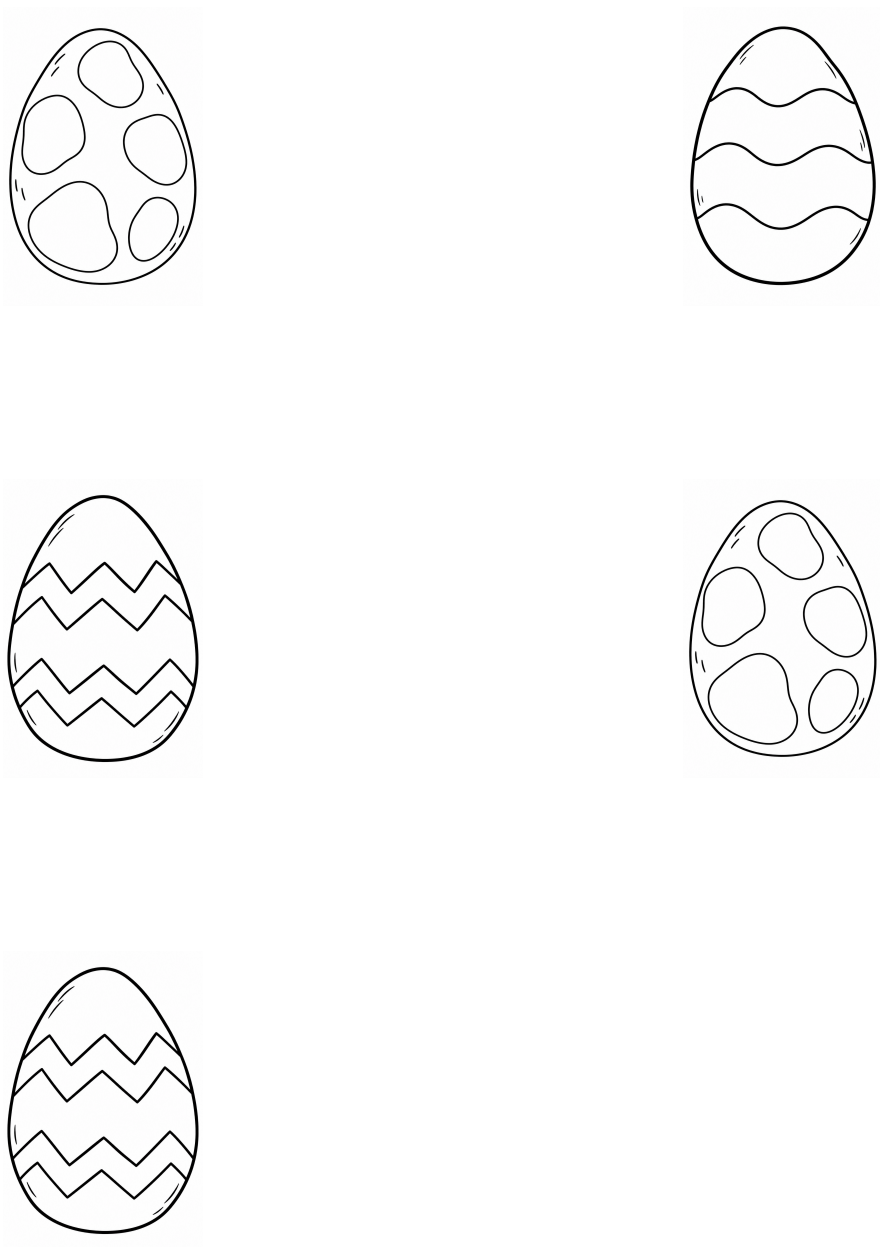

Dinosaur cheers! Stretch as tall as a Brachiosaurus.

Five eggs for the treasure hunt

For adults: cut out. Collect four eggs along the way and find the fifth at the nest.

Five station signs

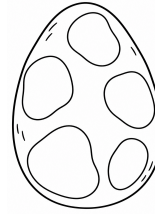

For adults: cut out and place beside each station where children can see them.
